INTRODUCTORY

In presenting our Twenty-Fourth Annual Edition of the City of Windsor Directory which includes the Towns of Riverside and Ojibway, we heartily thank the people in general for the cordial support they have given us.

The Corporation of the City of Windsor now includes the former towns of Walkerville and Sandwich and the City of East Windsor.

Every effort has been made to have this work as complete and up-to-date as possible.

Our estimate of the population of the Border Cities for 1937 is 114,534 as follows:—

Ojibway	170	Windsor	108,064
Riverside	5,200	Outskirts	1,100

VERNON DIRECTORIES LIMITED,

An Automatic GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

IMPORTANT

NEW HOUSE NUMBERS

In the Street Directory or Householders' Guide, both new and old numbers are shown thus:

ADANAC AV, south side

1445-1201 Strange, S G
+Curry av crosses
1565-1313 MacVicar, K M
+McEwan av crosses
1605-1405 Bondy, Patk
1615-1407 May, Ray

The first number (1445) shown is the new number.
The last number (1201) is the old number.

In the Alphabetical, Classified, Business and Miscellaneous Directory only the new numbers are given. Every reasonable effort has been made to bring the new directory up-to-date and we have spared no expense. This change of numbers has cost us hundreds of dollars over and above our regular canvass, but we are receiving no monetary returns for this extra expenditure.

We, however, know our efforts have the appreciation of our subscribers and the public in general, and this is a source of great satisfaction to us.

An Automatic
GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

You Can have a Comfortable Warm Home with Gas Heating

Even heat distribution is the one thing that will assure comfort and warmth in every nook and corner of your home. Gas heating can be controlled to give you the temperature you require. It is a safe, clean, ashless fuel.

An Automatic GAS WATER HEATER

is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by **COOKING WITH GAS**

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic GAS WATER HEATER

is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by **COOKING WITH GAS**

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER—
more delicious meals
can be created by
COOKING WITH GAS
Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic
GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER—
more delicious meals
can be created by
COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic GAS WATER HEATER

is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic GAS WATER HEATER

is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER—
more delicious meals
can be created by
COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by COOKING WITH GAS
Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic
GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER—more delicious meals can be created by COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic GAS WATER HEATER

is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by **COOKING WITH GAS**

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

You Can have a Comfortable Warm Home with Gas Heating

Even heat distribution is the one thing that will assure comfort and warmth in every nook and corner of your home. Gas heating can be controlled to give you the temperature you require. It is a safe, clean, ashless fuel.

You Can have a Comfortable Warm Home with Gas Heating

Even heat distribution is the one thing that will assure comfort and warmth in every nook and corner of your home. Gas heating can be controlled to give you the temperature you require. It is a safe, clean, ashless fuel.

IMPORTANT

NEW HOUSE NUMBERS

In the Street Directory or Householders' Guide, both new and old numbers are shown thus:

ADANAC AV, south side

1445-1201 Strange, S G
+Curry av crosses
1565-1313 MacVicar, K M
+McEwan av crosses
1605-1405 Bondy, Patk
1615-1407 May, Ray

The first number (1445) shown is the new number.
The last number (1201) is the old number.

In the Alphabetical, Classified, Business and Miscellaneous Directory only the new numbers are given. Every reasonable effort has been made to bring the new directory up-to-date and we have spared no expense. This change of numbers has cost us hundreds of dollars over and above our regular canvass, but we are receiving no monetary returns for this extra expenditure.

We, however, know our efforts have the appreciation of our subscribers and the public in general, and this is a source of great satisfaction to us.

Vernon Directories Limited

ALFRED J. VERNON,
President.

D. E. BARLOW,
Secretary.

An Automatic
GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic
GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

An Automatic
GAS WATER HEATER
is the fastest and most economical method of heating water. You just turn on the tap and get an abundant supply any time you need it.

TASTIER— more delicious meals can be created by COOKING WITH GAS

Gas gives an instant, intense heat assuring better, finer results in cooking. The new ranges with automatic lighters and oven heat control are a great convenience. See them.

You Can have a Comfortable Warm Home with Gas Heating

Even heat distribution is the one thing that will assure comfort and warmth in every nook and corner of your home. Gas heating can be controlled to give you the temperature you require. It is a safe, clean, ashless fuel.

Directory Advertising is Before the Public of Your City Every Day

IMPORTANT

NEW HOUSE NUMBERS

In the Street Directory or Householders' Guide, both new and old numbers are shown thus:

ADANAC AV, south side

1445-1201 Strange, S G
+Curry av crosses
1565-1313 MacVicar, K M
+McEwan av crosses
1605-1405 Bondy, Patk
1615-1407 May, Ray

The first number (1445) shown is the new number.
The last number (1201) is the old number.

In the Alphabetical, Classified, Business and Miscellaneous Directory only the new numbers are given. Every reasonable effort has been made to bring the new directory up-to-date and we have spared no expense. This change of numbers has cost us hundreds of dollars over and above our regular canvass, but we are receiving no monetary returns for this extra expenditure.

We, however, know our efforts have the appreciation of our subscribers and the public in general, and this is a source of great satisfaction to us.
